

Village Fete and Fun Dog Show

Wisborough Green Fete  
on Monday 26th August 2024  
From 1pm

Illustrated by  
Katie Wells

A very warm welcome to you.

There is no better place to be than Wisborough Green on August Bank Holiday. Enjoy an afternoon packed with family fun at our traditional village Fete. From games, children's races and the fun dog show, to the much-loved vintage cars and machinery, fantastic ferret racing and the Worthing Silver Band, to keep you entertained during the afternoon. The "udderly" hilarious Milking Challenge is back, along with the Bellman's Antique Challenge with fabulous prizes to be won. Come and be part of the fun, meeting up with friends and family on the Green.

We have a great selection of stalls selling gifts, treats, local produce and crafts (see pages 19-21). As well as tea and cake, ice creams and local cider, there will be fish and chips, a barbecue, pizza and new for this year, Asian cuisine to tempt those taste buds.

Since 2008, we have raised over £57,000 which has been donated to local good causes; see page 17 for more details. This would not have been possible without the generous support of our sponsors, helpers and YOU. Please look at page 22 for those who are supporting us this year.

Some of our chosen charities for 2024 include the WG Community Minibus, the Air Ambulance, the Fire Fighter's Charity and other local organisations. Do remember to contact us if you know of a local good cause that needs some help.

**Can we please ask you to bring CASH as our Fete stalls do not take cards.**

**Thank you.**

We all look forward to welcoming you to Wisborough Green.

Louise Davies, Fete Chairman

# Refresh!

There are lots of lovely food and drinks stalls dotted around the Green...

Back by popular demand are favourites - Katie's delicious Fish & Chips, and Pizza Trullo.

New for this year is Fab Fusion Feast serving delicious homemade Asian food.

WG Sports will be keeping the BBQ sizzling with sausages and burgers, while the Scout tent has tea and a lovely selection of cakes.

Cool off with Nuthurst Orchard cider and apple juice.

Plus, of course, the Honours ice cream van!

Look out for the participation stickers.  
Can you collect all six and get a full house?

# Returning to the Fete this year are Bellmans Auctioneers

Bellmans have generously sponsored the dog show in the past, and doing so again this year. They are also relocating a pop-up antiques stand from their main saleroom at Newpound.

Pit your wits against some of the finest art and furniture minds in the county with their activity-based auction quiz! Come and have a look at their room-sets packed with furniture, collectibles, antiques and more!

Bellmans are a very dog friendly company.

There may be an opportunity for you to take a picture of your dog in a classic antique setting...-worthy of a mantle-piece portrait!

Follow [@dogsofbellmans](#) on Instagram for pup-dates!

Proceeds are being donated to the Wisborough Green Fete's chosen charities.

# Important Information

Please follow signs to designated car parks  
Please do not park around the green

There is limited Disabled Blue Badge Holder parking on the Green - Please only use if you are not in a position to 'drop off' and park in a car park

First Aid Tent is located close to the Pavilion

Lost Children - Please tell your children to meet you by the Announcements Tent

Please keep your dog on a lead and place bagged dog poo in bins

Please use bins provided and recycle where possible  
Please keep our village green tidy

Public Toilets are across the road near the junction with A272, and also in the Pavilion

## Fishers Farm will be here

Fishers Farm will be attending the Fete this year as usual with a selection of their cutest animals to include pygmy goats, rabbits and chickens.

## “Farms and Farming” is the Society’s exhibition theme this year

For over 1500 years agriculture was the basis of the parish’s economy. Our display includes a history of farming over the centuries, the different types of farming - arable, dairy, fruit and today alpaca - that has characterised the parish through this time, as well as forestry and glassmaking which was often a sideline for medieval yeoman farmers.

Also featured will be the story of Carter Brothers, the agricultural engineers and contractors based in Newpound, and the work of country craftsmen such as the blacksmiths and the wheelwrights.

There will also be artefacts connected to farming, a “guess the object” and “name the crop” to challenge your knowledge, and the opportunity to join the society if you are interested in the history of Wisborough Green.

### *Hookhurst Farm tractor*

### About the Wisborough Green Village History Society

The Society not only preserves images, documents, and artefacts from the past, but also creates contemporary historical records for future generations. We meet at 10.30 am on the second Tuesday of each month in the Village Hall Committee Room. We are a small group of people who enjoy talking about and researching the history of our parish. Members range from life-long residents to relative newcomers and all receive the Society’s monthly 10/12 page newsletter containing articles and illustrations about the story of Wisborough Green.

*Ingrams Farm with horse and cart c1942*

Full Membership (£12) is for those who can attend and partake in meetings, and help run the society.

Associate Membership (£6) is for those who are unable to attend meetings but wish to keep in touch with Wisborough Green’s history.

You can join at our stand where past editions of the newsletter and other Society publications will be on display.
